Outline Drawing

### Notes :

1. Function test: 100% test for open, short and continuity.
2. Any specific function test should be specified prior to production so as to reflect the manufacturing cost.
3. Any electrical, mechanical or environmental test per MIL-PRF-39012F should be spotlighted, as we may not have all testing equipment to cover all of it.

### Special notice :

1. Any questions, please contact our R&D. Your attention on this matter is much appreciated.

\*RoHS and REACH are fully complied to create a greener planet for future generations.
