

CONNTERM

Switch

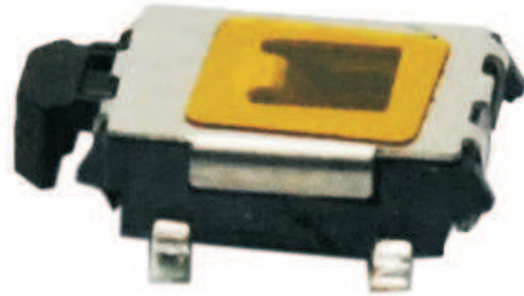

3x6 Tact Switch Series

Material:

- 1.The base: LCP
- 2.Insert: brass, silver plated
- 3.Spring: stainless steel
- 4.According to handle: LCP, black
- 5.waterproof membrane: Poly selenium imide tape, y

Electrical Characteristics:

Rating:DC12V 50mA
Contact Resistance : 50mΩ max(initial)
Electrically Life:50,000cycles
Environment temperature: -25°C ~ 105°C
Operating Force: 160/250(±30gf)

Dimension (unit: mm)
