公司简介

Company profile

深圳市言必信科技有限公司是一家集电磁兼容（EMC）&电源滤波器（EMI FILTER）研发，生产，销售为一体的国家高新技术型企业，经过公司人员的十多年努力，产品相继取得了cUL/UL，TUV，CQC，CE，CB，ENEC，ROHS，REACH等认证及多项专利，产品众多，规格齐全，为确保品质，严格按照GJB9001C-2017军标体系规范生产。

产品分为交流，直流，军品，谐波，脉冲群，信号等各种规格滤波器；在医疗，家电，电梯，运动器材，仪器仪表，自动化设备，物联网设备，通讯设备，新能源汽车，高铁，飞机，舰艇，保密设备等多个行业和领域得到了广泛应用。

公司立足专业，锐意创新，为不同的客户提供专业咨询和EMC技术整改服务，拥有自己的实验室，并与国内知名专业院校技术合作，相继解决了众多客户的技术难题！2016年前海新四版成功挂牌，股权代码：667344，成为国内外三百多家上市公司和世界500强企业指定供应商！

公司贯彻执行“质量第一，诚信为本”的做事原则，在沟通协调的基础上，量力满足各界客户的“技术；质量；价格；交期”需求，期待您的支持以见证我们的共赢！

Shenzhen Yanbixin Technology Co., Ltd. is a national high-tech enterprise integrating the research and development, production and sales of electromagnetic compatibility (EMC) & power filter (EMI FILTER). After years of hard work of the company's personnel, the products have successively obtained certificates of cUL/UL, TUV, CQC, CE, CB, ENEC, ROHS, REACH. In order to ensure the quality, it is produced in strict accordance with the GJB9001C-2017 military standard system.

Products are divided into AC, DC, military, harmonic, pulse group, signal and other specifications filter; It has been widely used in many industries and fields such as medical treatment, home appliances, elevators, sports equipment, instrumentation, automation equipment, Internet of Things equipment, communication equipment, new energy vehicles, high-speed rail, aircraft, ships, and security equipment.

Based on professionalism, the company is determined to innovate, and provides professional consulting and EMC technical rectification services for different customers. We have our own laboratory and technical cooperation with well-known professional colleges and universities in China, and have successively solved the technical problems of many customers! And successfully listed on the new fourth edition in 2016; Become the designated supplier of more than 300 listed companies and Fortune 500 companies at home and abroad!

Our Company is carrying out the principle of "quality first, integrity-based" to work. On the basis of communication and coordination, we'll try our best to satisfy the customer's requirements about the "technology; quality; price; and delivery". Looking forward to your support to witness our win-win!

我们的优势 Advantages

- 1、前海挂牌企业 (667344)，国家高新技术企业，品牌保证，质量可靠;
Qianhai listed company (667344), national high-tech enterprises, brand guarantee, reliable quality;
- 2、产品认证齐全：UL;cUL;TUV;ENEC;CB;CQC;CE;ROHS;REACH;
The products have UL; cUL;TUV; ENEC;CB;CQC; CE; ROHS; REACH certificates
- 3、自动化工艺，规模化生产，性价比优越;
Automation technology, scale production, excellent price.
- 4、高效沟通，服务周到，交货快！
Quickly response, Good service, Fast delivery!
- 5、质保：三个月内免费换货，六年内免费维修，终身维护！
Quality assurance: free replacement within three months, free maintenance within six years, life-long maintenance!
- 6、免费的EMC整改技术支持及提供测试样品;
Free EMC rectification technical support and provide test samples;
- 7、公司提供专业测试设备,免费提供传导/浪涌/EFT摸底测试；
Our company have the professional experimental equipments, we can provide free CE / Surge/ EFT diagnostic test to you.
- 8、与顶尖科研实验室合作；
Cooperate with the top scientific research Laboratory；
- 9、可定制，有专业的研发团队。
We have professional R & D team; and the products can be customized.

我们的研发宗旨是：在确保结构合适及EMC测试通过的前提下，决不让客户多花一份钱！！
our research and development purpose is we will never let customers to spend extra money, unless ensuring the product's structure is suitable and the EMC test is passed.

额定电流1A~1700A
Rated currents from 1a to 1700A

采用三级滤波设计, 特殊的材料可保证宽泛的频率范围内的高阻抗特性
With three stage filtering design, special materials can guarantee the high impedance characteristics in wide frequency range

保证变频器周边其他电子设备的平稳运行, 解决变频器的干扰问题。
Assure the smooth operation of other electronic devices in the vicinity, and solve the interference problems of inverter.
